---

NOW, THEREFORE, for and in consideration of the mutual agreements and covenants herein contained, the parties to this Contract have agreed, and hereby agree, as follows:

- (1) That the Contractor hereby agrees to furnish all tools, equipment, materials, and labor, and to build and complete the above described project in accordance with the specifications therefore on file in the office of the City Clerk of Perkins, Oklahoma.
- (2) That the Owner shall pay the Contractor for the work performed, as follows:
  - a. Payment for unit price items shall be at the unit price bid for actual construction quantities.
  - b. Construction items specified but not included as bid items shall be considered incidental and shall not be paid for directly but shall be included in the bid price for any or all of the pay quantities.
  - c. At the end of each month the Engineer will make written estimates of the materials in place and accepted, and the amount of work performed in accordance with the contract during the current period of time between estimates and the value thereof

d. Should any defective work or materials be discovered or should a reasonable doubt arise as to the quality of any work completed, there will be deducted from the next estimate an amount equal to the value of the defective or questionable work and shall not be paid until the defects are remedied.

e. And that the Contractor's bid is hereby made a part of this Agreement.

(3) That the City of Perkins reserves the right to add to or subtract from the estimated quantities or amount of work to be performed. The work to be performed or deducted shall be at the unit price bid.
