Pretty new. Repairs?? High bill already

Do you have other ideas?

Better enforcement on properties with trash + junk! Is that PD operating budget??

Can you just improve + enlarge existing animal shelter rather than building new? Needs improvements

We should be able to access our utility bill online. I appreciate the online payment system, but we should be able to view our account details online, too. Sidewalks should be implemented on busy streets that children take to school (Kripe, Kirk, etc).

Do you have other ideas?

Having recently retired and moved here, I am not very familiar of the city's parks, library, OK Terr Plaza, etc., I am more concerned with the infrastructure, streets, water, sewage, etc., basically keeping my investment of home up to par. Also question the code enforcement, such as parking in yards, inoperable vehicles parked in driveways, yards, streets. It would be nice to have walking trails that were accessible and safe.

In the old Animal Shelter they get cold in the winter and hot in the summer, need a new one bad. To me this is number one. I can't see that anyone else is hurting as much as the animals,

I'd like to see the fire hydrant fixed on the corner of Knipe & 3rd. It's been laying open (covered w/ a mesh type covering) for the better part of a year. It's a potential hazard to over curious children & adults.

Drainage in my area is horrible! New house
 & couple inches of rain & we're talking about
 flooding. Neighbors drainage is always blocked
 & I've contacted City on numerous occasions
 Only once did anyone clean it out!

Water & sewer bill is way too high. You can live in Gilchrist
 with much cheaper utilities! This is awful for a
 small town
