The Territorial Plaza is a great place and the buildings have been re-painted and maintained in a pretty good way. However the lawn and landscaping leave much to be desired. A lot more money and attention needs to be placed on this. When the grass is cut, the walks are not even edged.

I'm for anything that would reduce the City of Perkins water/sewer/trash Bill. It is ridiculously high. 3x what it was when we moved here in 2005.

Kick St. should be highest priority! The water hardness within the city also needs high attention, due to the blue residue it leaves behind within sinks, showers, tubs, etc. It would also be nice to continue to see the parks maintained to their current status, but to see the new library open!

I think the sewer part of the water bill is high -

Question; I have lived in the same house for 27 years, always paid my bill on time - why don't you return my deposit? Bad business practice!
