*Alleys need to be kept mowed by homeowners. They are getting too bad with tall grass, trash, junk. Trees in alleys also need trimmed off of power lines.

*The drain pipes on NW 3rd are getting clogged with leaves and trash. Home owners need to keep them clear for flow of street water when heavy rains come.

*Noticing alot of cracks + potholes on streets. On our side of town (alot of cracks in road that need to be filled this is probably on alot of the streets).

When the City has a Citywide Cleanup Day that is scheduled, those who have still junk like limbs around their properties that is a nuisance ought to be fined. Or also like old appliances in yards. Our City, Perkins needs to be a beautiful place to live.

Infrastructure such as water supply/treatment, street repair, sewer upkeep as well as our emergency response system should be of the highest priority for sure. I do not feel that trivial ~~things~~ ^{things} like a new library are needed at this time considering our current one serves the towns needs in that aspect.

It would be nice if our streets were uniformly named. Numbered streets north to south (1st, 2nd, 3rd etc.) Named streets west to east (Thomas, Knipe etc) some of our streets have several names such as - Lover's Lane, 7th st, and Eaton Ave. all in a line but with different names.
