I think one item that stood out throughout the last year is access to quality internet- Suddenlink is terrible & provalve is hardly an option. Working & schooling from home has been a challenge due to the ever increasing needs of more bandwidth.

about 24 years ago I started coming to Perkins to visit friends  
 this town was dirty & if someone would have to told me  
 might have someday lived here I would have laugh them out of  
 Perkins. Coming into town from the west would come upon the north side  
 swamp with trash & dead branches & that does not exude a positive  
 impression of Perkins. Now THE POSITIVE!

In the last 18 years there has been many improvements. School system growing, assisted living facilities, improved downtown retail area, Good golf course, The Territorial Plaza with good upkeep THE MOST AWESOME IMPROVEMENT was paving main street. Made a big difference to the downtown area

I live on the south end of town and would appreciate something for my younger children to enjoy. We moved to this particular location in town because we were under the impression the library would be rebuilt in a restored building, close to our home. Perkins needs to invest in some recreational facilities for its residents! A splash pad is nice, but its seasonal.

Drainage: (1) I've seen programs developed in cities to prevent storm water's draining into lakes, streams, etc. - taking chemicals and other dangerous environmental elements as it flows and depositing them into our water systems. Perhaps, this could be an ecologically sound solution Perkins could look into. (2) With Summer approaching and the mosquito is brings, perhaps on Clean Up Day, volunteers could identify sites around town where drainage ditches and pipes could be cleared of debris, and the resultant breeding sites eliminated. Parks and Rec: Perhaps much of this work could be done by teams of volunteers to ease strain on the budget.

*316 property/acreage @ 416 W. FRENCH is a fire-hazard. If it goes up in flames our whole neighborhood will be gone. Also the property @ 223 N.W. 3rd is about to come in; it also has mice-infested bldg in back where the cats hang out. If these problems are alleviated my family is seriously considering leaving Perkins (we love the mostly peaceful environment here but our property value is not being helped by current conditions).*
