you're already upgrading some of these areas of interest. Those managing the City of Perkins is doing a good job. In the new Animal Shelter I would like to see an area for cats. Also, repair and maintenance is needed at the elementary school.

The city needs to do more about abandoned/deteriorated structures in this town. They are a hazard and eyesore! There's practically one in every block.

Get the infrastructure right, the rest will fall in place.

While parks and rec are important, I'm smart enough to realize that there isn't a pool of money to do everything we want to do. We have much bigger issues than building new parks. Water, Sewer, Streets... those are more important and something no one wants to fix until it breaks and directly affects them.
